

# American College of Apothecaries

## BASIC VETERINARY COMPOUNDING COURSE OUTLINE

Basic Veterinary Compounding is a 15 hour course

The overall goal of this practice based course is to introduce the pharmacist and pharmacy technician to veterinary pharmacy compounding. This program provides the fundamental techniques for compounding medications for animals, as well as establishing and marketing a veterinary pharmacy practice.

Instructed by  
**Rob Nolly, DPh, MS,**  
*Professor*  
*University of Tennessee*  
*College of Pharmacy*

Upon completion of this program, the participant will be able to:

- Demonstrate knowledge of regulatory requirements and professional standards that affect veterinary compounding
- Demonstrate the ability to perform calculations necessary to compound veterinary preparations
- Demonstrate the ability to compound a variety of veterinary preparations
- Demonstrate knowledge of animal diseases where a compounding pharmacist and/or technician can impact animal medication compliance

### Day One

8:00 a.m. – 9:15 a.m. Welcome & Lectures

9:15 a.m. – 10:30 a.m. Lecture/Discussion

- *Overview of Veterinary Pharmacy & Compounding*
- *Opportunities for Pharmacists*
- *Compounding Considerations*

10:30 a.m. – 10:45 a.m. Break (no CE)

10:45 a.m. – 12:00 p.m. Lecture/Discussion

- *Compounding Considerations*
- *Regulatory Considerations*

12:00 p.m. – 1:00 p.m. Lunch/Discussion (no CE)

- *Marketing Veterinary Compounding Services*

1:00 p.m. – 3:00 p.m. Laboratory

- *Compounding Veterinary Dosage Forms*

3:00 p.m. – 3:15 p.m. Break (no CE)

3:15 p.m. – 5:00 p.m. Lecture/Discussion

- *Compounding Veterinary Dosage Forms*

### Day Two

8:00 a.m. – 10:30 a.m. Lecture/Discussion

- *Literature Resources*

- *Review of Selective Veterinary Disease States*

10:30 a.m. – 10:45 a.m. Break (no CE)

10:45 a.m. – 12:00 p.m. Laboratory

- *Compounding Veterinary Dosage Forms*

12:00 p.m. – 1:00 p.m. Lunch (no CE)

1:00 p.m. – 3:00 p.m. Laboratory

- *Compounding Veterinary Dosage Forms*

3:00 p.m. – 3:15 p.m. Break (no CE)

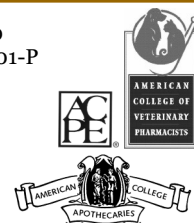

3:15 p.m. – 5:00 p.m. Laboratory

- *Compounding Veterinary Dosage Forms*

**Cost:** ACA Members \$895.00/2nd person \$695.00

Non Members \$995.00

Basic Veterinary Compounding has been approved for 15.0 contact hours (1.5 CEU's) of continuing education credit with all 15.0 contact hours (1.5 CEU's) being obtained in the live programming with ACPE Universal Activity Numbers, 0201-9999-11-049-L01-P and 0201-9999-11-049-L01-T. These UAN have an initial release date of 9/15/2011 and an expiration date of 9/15/2014. Continuing education statements of credit will be awarded at the conclusion of the program, upon completion of the CE statement of credit form. These forms must be signed by an ACA staff member. Attendees will be required to complete an evaluation form for the program in order to receive their CE and Certificate of Completion. American College of Veterinary Pharmacists' programming is co-sponsored by the American College of Apothecaries. The American College of Apothecaries, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
